St. John's Men's Club of St. Genevieve Church Mission Statement

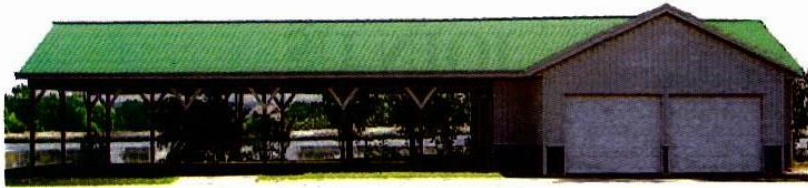

The St. John's & St. Genevieve's is extending to the men of the parish an open invitation to join its Men's club.

Over the last years much has been accomplished by these highly energized members while having fun doing the things that enhance the parish and community.

Our Mission: "To provide a social environment for the men of the parish to share in Christian fellowship.

To promote and sponsor parish activities to bring together individuals and families within the parish and the broader community; and substantially contribute to the well-being of The parish through contributions of time, talent and treasure to projects not included in the regular operating budget of the parish"

The men's club was the driving force behind the Pavilion with its new storage added and a major contributor in the funding of it. The club has started and continues to sponsor the following activities:

- Lenten Fish Fries
- Goodwill Pancake Breakfast
- Annual night at a Saints Baseball Game
- Golf Tournament – Fishing Events
- Ice Cream Social for residents at Muller Manor

The Men's Club meets monthly. Club membership is open to all adult men in the parish. Please contact any member or leave your name at the parish business office.

At Parish events you will see the members in Green or Tan T-Shirts and/or Tan Caps with the Club Emblem. At the Fish Fries they wear the club Button on their aprons. You too can be a member of the "FISH FRY GUYS"!!
