

# PARK & PRAY!

If you've walked into St. Genevieve's Parish Community Center on a rainy, snowy or windy day, you can appreciate how much a closer parking and drop-off area would benefit us all, especially families with small children, seniors and people with disabilities.

## HELP US BUILD – A New Southside Parking Lot in Summer 2016

**NEW DROP-OFF AREA - Close to the South Main Door**

**50-60 PARKING SPACES – Closer to the Building**

**SOME SPACES - Reserved for senior and handicapped parking**

**Estimated Cost (parking lot only).....\$200,000**  
**with added canopy over drop off area...\$300,000**  
**Funds Raised So Far.....\$177,109**

As responsible stewards of our parish, our Finance Council has recommended that we raise the money for this project before beginning construction.
