

The Church of St. Genevieve Stewardship Team
Meeting Minutes from September 10, 2018
3:15 at Saint John site

Attendees: Judy Berger, Liz Quicksell

1. Judy opened the meeting with a prayer.
2. Minutes of July 18, 2018 were approved.
3. Discussed the financial stewardship form. Whether we want to change it. What would we do with the additional information? Judy is meeting with Father Greg tomorrow and will get his ideas on which way we should go with the financial stewardship aspect of the Commitment Weekend.
4. Looked over the revised adult Commitment form. We will use the version with borders around the boxes, will re-word some of the column headings but will leave the Faith Formation items as is.
5. Lots of discussion on the Commitment weekend. The Team feels we are missing something in that some of our goals and our mission is not getting across to the parish as a whole. We want all parishioners to fill out a form, even if they are currently active. We discussed doing a report after all the responses are compiled, maybe a monthly bulletin report or an insert that shows how many people signed up for each ministry or item on the form.
6. We will schedule the next meeting soon so we can continue with our Commitment weekend planning for our presentations at the masses that weekend.
