

The Church of St. Genevieve Stewardship Team
Meeting Minutes from May 7, 2018
4:00 pm at Parish Office

Attendees: Judy Berger, Mike Fix, Liz Quicksell
Guest: Carol Lindholm

1. Opened meeting with the reading of the Stewardship prayer.
2. Reviewed and approved the minutes of the April 4, 2018 meeting.
3. Agenda accepted with no changes.
4. Reviewed the Stewardship Team's Mission Statement and short and long term goals. The Mission Statement and the long term goals will remain the same. The Team has accomplished many of the short term goals. Judy will work on updating them and then get back to the rest of the Team.
5. Discussed the goal to work with the Faith Formation staff to incorporate the concepts of stewardship into program materials. Judy reported that she had met with Father Greg and Susie Irlbeck. The Faith Formation program is going through a restructuring. A new staff position has been developed and a job opening has been posted. The Team will wait until the position is filled and then meet with the staff to determine how the Stewardship Team can coordinate with the Faith Formation staff.
6. Discussed this year's Stewardship Weekend, including possible speakers and we also discussed impacts of the speakers and other ways to increase participation. Judy reported the Pastoral Council had discussed recently the idea of having some kind of event and/or incentive for people to encourage more participation. The Team discussed this idea and Judy will bring back to the Pastoral Council our thoughts on that approach. We will also need to draft the parishioner letter.
7. Mike reported on his research on the parish website. There are different results/pages that appear depending on which link is used to access Stewardship or Ministry opportunities. Mike will meet with Susie to discuss what he found. This is timely since the parish will soon be using a different vendor for the website.
8. Carol Lindholm joined the meeting at 4:30. She had signed up to assist with Graphic Design/Desktop Publishing. The Team is asking if she could work with us on the Commitment Form to make it into a tri-fold document and on making the form more pleasing. She will do that for us and get back to us with questions or when she has a version ready for us to look over.
9. Next meeting date to be decided, possibly mid-July.

Submitted to the team for approval by Liz Quicksell 5/8/2018
